

Celebrating 30 Years of
Excellence

In order to expedite the process, we put together a list of items you should gather, or think about. DO NOT worry if any of this seems unfamiliar to you. Our representatives are well trained to walk you through the process.

Call us @ **917.226.7878**, and we'll be happy to answer any questions.

- **Domain-** You can purchase a domain from www.godaddy.com at less than \$20/ per year. If you do use godaddy.com, please keep the username / password to your online portal in hand, as we will need to walk you through the process of pointing it to our name servers (Takes Less Than 5 minutes!)
- **The Highest Resolution Copy of your Logo-** If you do not have a logo, we offer custom logo designs for **\$125 (50% Discount!)** for anyone who purchases a template.
- Complete list of “**Company Contact Information**” you would like to post on your website. Even though the “Contact Us” page is content management, we apply this information on the website while we do our LIVE TESTING. (Ex: Company Name, Phone, Email, etc.)
- **Credit Card Information** – We will need a credit card to keep on file for your one time SETUP FEE, and Automated Monthly Hosting.
